"In 1770, Mayer Amschel Rothschild married Gutta Schnapper. In that same year, he retained Jewish-born, Adam Weishaupt, an apostate Jesuit-trained professor of canon law, to revise and modernize Illuminism, the worship of Satan, with the objective of world domination and the imposition of the Luciferian ideology "upon what would remain of the human race" after a final orchestrated social-cataclysm. In 1773, Mayer summoned twelve wealthy men to Frankfort and asked them to pool their resources, then presented the 25-point plan that would enable them to gain control of the wealth, natural resources and manpower of the entire world.

Those 25 points are:

1. Use violence and terrorism rather than academic discussions.
2. Preach "Liberalism" to usurp political power.
3. Initiate class warfare.
4. Politicians must be cunning and deceptive - any moral code leaves a politician vulnerable.
5. Dismantle "existing forces of order and regulation." Reconstruct all existing institutions."
6. Remain invisible until the very moment when it has gained such strength that no cunning or force can undermine it.
7. Use Mob Psychology to control the masses. "Without absolute despotism one cannot rule efficiently."
8. Advocate the use of alcoholic liquors, drugs, moral corruption and all forms of vice, used systematically by "agents" to corrupt the youth.
9. Seize properties by any means to secure submission and sovereignty.
10. Foment wars and control the peace conferences so that neither of the combatants gains territory placing them further in debt and therefore into our power.
11. Choose candidates for public office who will be "servile and obedient to our commands, so they may be readily used as pawns in our game."
12. Use the Press for propaganda to control all outlets of public information, while remaining in the shadows, clear of blame.
13. Make the masses believe they had been the prey of criminals. Then restore order to appear as the saviors.
14. Create financial panics. Use hunger to control to subjugate the masses.
15. Infiltrate Freemasonry to take advantage of the Grand Orient Lodges to cloak the true nature of their work in philanthropy. Spread their atheistic-materialistic ideology amongst the "Goyim" (gentiles).
16. When the hour strikes for our sovereign lord of the entire World to be crowned, their influence will banish everything that might stand in

his way.

17. Use systematic deception, high-sounding phrases and popular slogans. "The opposite of what has been promised can always be done afterwards... That is of no consequence."

18. A Reign of Terror is the most economical way to bring about speedy subjection.

19. Masquerade as political, financial and economic advisers to carry out our mandates with Diplomacy and without fear of exposing "the secret power behind national and international affairs."

20. Ultimate world government is the goal. It will be necessary to establish huge monopolies, so even the largest fortunes of the Goyim will depend on us to such an extent that they will go to the bottom together with the credit of their governments on the day after the great political smash."

21. Use economic warfare. Rob the "Goyim" of their landed properties and industries with a combination of high taxes and unfair competition.

22. "Make the 'Goyim' destroy each other so there will only be the proletariat left in the world, with a few millionaires devoted to our cause, and sufficient police and soldiers to protect our interest."

23. Call it The New Order. Appoint a Dictator.

24. Fool, bemuse and corrupt the younger members of society by teaching them theories and principles we know to be false.

25 Twist national and international laws into a contradiction which first masks the law and afterwards hides it altogether. Substitute arbitration for law.
